ABOUT THE WORK OF OPEN DOORS UK & IRELAND

Open Doors is active in over 50 countries around the world, providing Bibles, training and practical support to the persecuted church. We are one of the world's largest outreaches to persecuted Christians, working in the most high-risk places. Open Doors is committed to strengthening the persecuted church and encouraging practical and prayerful support from Christians who practise their faith in freedom.

IT'S TIME

WAKE UP TO EXTREME PERSECUTION

CHRISTIANS ARE THE MOST PERSECUTED RELIGIOUS MINORITY IN THE WORLD.

That's why, in 2014, Open Doors is launching *It's Time*, a year of prayer and action for Christians facing extreme persecution.

We want the world to hear our simple message: people should not be persecuted for the 'crime' of following Jesus. They should not be killed or beaten or excluded or jailed.

ENOUGH IS ENOUGH.

IT'S TIME TO PRAY

Join in prayer with the persecuted church through innovative prayer resources for groups and individuals, as well as regular prayer emails and updates.

IT'S TIME TO GIVE

Help our persecuted brothers and sisters through giving Bibles where the Bible is banned, training Jesus' followers to persevere in the face of persecution, and supporting those in desperate need.

IT'S TIME TO SPEAK OUT

Raise your voice on behalf of persecuted Christians, by addressing the government or those in power through advocacy campaigns, or simply telling others what is going on.

IT'S TIME

WAKE UP TO EXTREME PERSECUTION

THIS MAP SHOWS THE 50 COUNTRIES OF THE WORLD WHERE IT IS HARDEST TO BE A CHRISTIAN, WHERE CHRISTIANS FACE OPPRESSION, HOSTILITY, VIOLENCE OR EVEN DEATH.

It is based on the Open Doors World Watch List, the only annual survey of religious liberty conditions for Christians around the world. The World Watch List uses data from Open Doors field workers and independent experts to assess levels of persecution. As well as analysing incidents of violence and terror, we also measure the everyday life of Christians and the degree of freedom they have to live out their faith in five key areas: private, family, community, national and church life.

Open Doors strengthens and supports the church in over 50 countries around the world where Christians are persecuted. We supply them with Bibles, equip and train church leaders, and stand alongside Christians in need. In the UK and Ireland Open Doors strives to raise awareness of global persecution, mobilising prayer, support and action among Christians.

This map is designed to accompany the Open Doors Handbook of Prayer, which contains more detailed information about these countries. If you do not have the Handbook and would like a copy please contact us on **01993 777300** or email **inspire@opendoorsuk.org**
